Re: Referral Letter

To Whom It May Concern.

I am writing to recommend the services of SENHARE Consulting Services. We have been using SENHARE Consulting Services for internal audits and training in our company for the past two years, and have always been completely satisfied. Jenita Martins does an excellent job, is always punctual, professional and offer the most competitive rates.

Jenita has been tremendously instrumental in helping us maintain and improving our SANS 17025 management system.

SENHARE Consulting Services have been very reasonably priced and always do exactly what we ask of them and more.

I'm happy to recommend the services of SENHARE Consulting Services. If you have any questions, feel free to contact me.

Sincerely,

Kemmone Tshetlhanyane
