Champions of geometallurgical testing

23 February 2016

To whom it may concern

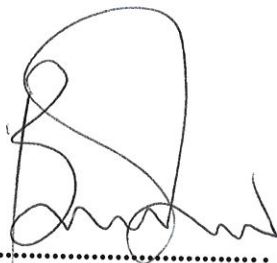

RE: Reference letter for Jenita Martins - Senhare Consulting Services (Pty) Ltd

I write to confirm that Jenita Martins from SENHARE Consulting Services (Pty) Ltd assisted Airite Sheet Metal cc t/a Suntech Geometallurgical Laboratories with the training, design and implementation of our quality management system as per the requirements of ISO/IEC 17025:2005. From our interaction with her she has displayed extensive experience and knowledge on the accreditation requirements and was able to customize the process to enable the successful application of the quality management system.

Suntech Geometallurgical Laboratories recommends Jenita Martins from SENHARE Consulting Services (Pty) Ltd as a competent consultant that can be relied on when it comes to accreditation both in terms of quality and time.

We hope you will find this in order.

Regards
