JENITA MARTINS: LETTER OF REFERENCE

Jenita Martins performed internal management system audit as per ISO 17025:2005 in October 2017.

Jenita has extensive knowledge and experience in the development, implementation and auditing of quality managements systems. Her knowledge of the accreditation processes and quality systems assisted our company in identifying the gaps in our system procedures. She also provided valuable guidance on how to clear those gaps and ensure our system was in complete compliance with all standard, accreditation and regulatory requirements.

We enjoyed working with Jenita for the two day on site. She is hard-working and dedicated. She was willing to assist us in addressing issues.

We confidently recommend Jenita Martin as an internal auditor and consultant to assist any organisation looking to achieve accreditation.

She will be assisting M&L in accomplishing SANAS GLP accreditation in 2018.

Yours sincerely
Rena John
